## Disclaimer

This disclaimer applies to the Pumpfoil Sessions of the University Surf club Lausanne.

1. Participants are not insured by the organizer. Each participant is responsible for adequate health and accident insurance coverage (including sports accidents).
2. The organizer denies any liability for damages to the participant's own material or third-party material or to third parties themselves. The organizer does not accept liability for lost valuables, clothing items, and equipment.
3. Personal surfboards at club events are welcome. Surfing with these is explicitly at your own risk and responsibility. Each participant is liable for any material damage incurred.
4. The execution of water sports activities and the use of sports equipment is at your own risk and responsibility. Activities in the freestyle sports area inevitably involve certain risks. The participant declares that they are aware of the risks and dangers associated with water sports.
5. Each participant assures that they are healthy and possess the necessary physical requirements. In particular, they assure that they are free from serious cardiovascular complaints, significant orthopedic problems and diseases, or other health impairments that do not permit physical activity or affect swimming ability. Each participant is expected to exercise personal responsibility, prudence, and realistic self-assessment. Explicit inquiries by the organizer for this are not necessary.
6. Should third parties need to be summoned to assist the participant (e.g., rescue services), the resulting costs must be borne by the participant, or the organizer has the right to recover any incurred costs from the participant.
7. The organizer reserves the right to exclude a participant at any time if they pose a potential danger to others or for other important reasons. This is particularly true if a participant has provided false personal data during

registration. Participation by individuals under the influence of alcohol or drugs is not permitted. If a participant is visibly under the influence of alcohol or drugs, staff have the duty to exclude the participant. Any payment made in advance will not be refunded.

8. The participant is obligated to remain vigilant and to warn or assist in the event of a potential source of danger.
9. By participating in Pumpfoil events of the University Surf club Lausanne, the member waives the right to make any claims and to pursue criminal charges for damages that occur in connection with participation against the club for all further Pumpfoil sessions with the club.
10. Members are responsible for ensuring they have adequate liability insurance.
11. Disregarding the regulations will lead to exclusion from the activity.
